SUBJECT: Change of Name

I am pleased to inform you of the name change for the USDA, Office of Operation's, Beltsville Service Center. We are officially now known as the **Matériel Management Service Center (MMSC)**. The new name provides a clearer description of what we do for our USDA and non-USDA customers. The two functions under the MMSC remain: Consolidated Forms and Publications Distribution Center (CFPDC) and Centralized Excess Property Operation (CEPO). If you have any questions, please feel free to contact me at (301) 394-0413 or email carlos.casaus@dm.usda.gov.
